Die Monstronauten

Hello, I'm

PIA.

I'm your emotional supporter.

If you are sad
and need a friend,
I'll always be
at your side.

Sometimes you feel sad
and you don't know what to do.

Then I'll come to you
and remind you:

You don't have to be happy again immediately.

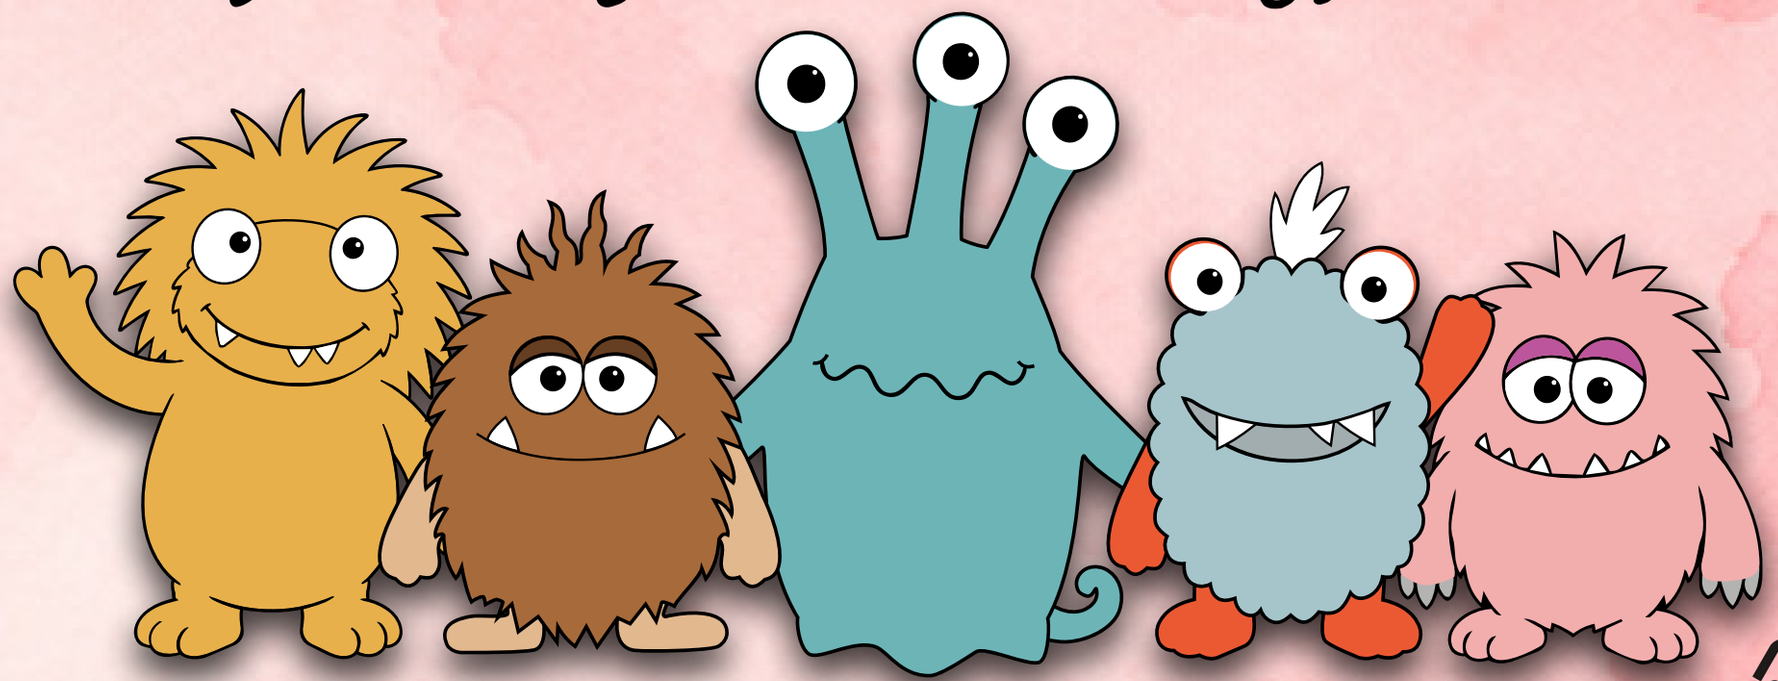

Come on,
let's have a really big cuddle...
...until you feel
better again.
I'm always
here for you!

Die Monstronauten

Every monster has a special strength and
helps you get through the day.
Together, we're a strong team!

Get to know the others too,
they're looking forward to meeting you!
